IGSC-PLANETARIUM, BAILEY ROAD, PATNA-800 001

**Call for proposals for organization of conference/workshop/seminar/popular talk**

Bihar Council on Science & Technology (BCST), Patna invites proposals from the recognized institutions/ universities/departments of the state for organization of State/National/International Level conference/ workshop/seminar and popular talk.

The proposals must be submitted in the prescribed format duly forwarded by the Head of the institution. The detail of support, guidelines and application format can be downloaded from the BCST website [www.bcst.org.in](http://www.bcst.org.in). The applications should clearly mention details of the resource persons and their consent. Initially 50% of sanctioned amount will be released to the beneficiary institute. The balance amount will be released only after submission of utilization certificate, activity report, abstract book/souvenir, photographs, newspaper clipping etc.

All proposals will be evaluated by the Screening Committee constituted for the purpose. The soft/hard copy of the proposals neatly typed in prescribed format should be submitted by **registered/speed post/email (pd@bcst.org.in) latest by 30<sup>th</sup> June, 2023**. All particulars entered should be same as in the hard copy.
