**Call for submission of proposal for organization of conference/seminar/workshop/popular talk
in the field of Science & Technology**

Bihar Council on Science & Technology (BCST), Patna invites proposals from the recognized institutions/universities/departments of the state for organization of State/National/International Level conference/seminar/workshop and popular talk. The topic should be aligned with the mandate of BCST (relevant to Science and Technology only).

The proposals must be submitted in the prescribed format duly forwarded by the Head of the institution. The application format, guidelines and detail of support can be downloaded from the BCST website www.bcst.org.in. The applications should clearly mention detail of the resource persons and their letter of consent of participation. Initially 50% of the sanctioned amount will be released to the beneficiary institute. The balance amount will be released only after submission of audited utilization certificate, activity report, abstract book/souvenir, photographs, newspaper clippings etc. Participation of students of organizing institute in terms of Poster/Presentation/Innovative Model must be ensured and same must be submitted in the report.

All proposals will be evaluated by the Screening Committee. The soft and hard copy of the proposal neatly typed in prescribed format should be submitted by registered/speed post/email (pd@bcst.org.in) latest by 20.07.2024. All particulars entered should be same as in the hard copy.
