Call for submission of proposal for organization of conference/seminar/workshop/popular talk

Bihar Council on Science & Technology (BCST), Patna invites proposals from the recognized institutions/universities/departments of the state for organization of State/National/International Level conference/seminar/workshop and popular talk.

The proposals must be submitted in the prescribed format duly forwarded by the Head of the institution. The application format, guidelines and detail of support can be downloaded from the BCST website www.bcst.org.in. The applications should clearly mention detail of the resource persons and their consent. Initially 50% of the sanctioned amount will be released to the beneficiary institute. The balance amount will be released only after submission of utilization certificate, activity report, abstract book/souvenir, photographs, newspaper clippings etc.

All proposals will be evaluated by the Screening Committee. The soft and hard copy of the proposal neatly typed in prescribed format should be submitted by registered/speed post/email (pd@bcst.org.in) latest by 30.10.2023. All particulars entered should be same as in the hard copy.
