Call for submission of Innovative proposals in the field of Science & Technology

Bihar Council on Science & Technology (BCST), Patna invites project proposals from the innovators (resident of Bihar) under the scheme "**Support to Innovative Projects**" of Department of Science, Technology and Technical Education, Government of Bihar. The proposals shall preferably be in the focus sectors: **Green Technology, Clean Energy, Industrially Utilizable Smart Materials, Waste to Wealth, Affordable Healthcare, Water and Sewage Management, any other technology or knowledge intensive area.**

The selected projects will receive financial support to convert their ideas into prototype (field trial) model of maximum Rs. 3.00 (Three lakhs) or 90% of the approved cost. For detailed information, the policy guidelines for support can be referred from the website of Bihar Council on Science & Technology www.bcst.org.in. Initially, first instalment of maximum, 50% of project cost will be released in the first phase. The second instalment of grant will be released only after satisfactory completion of the first phase and submission of utilization certificate of the first instalment.

All the proposals will be evaluated by the Screening Committee. The soft and hard copy of the proposals in prescribed format duly forwarded by the Head of the Institution, must be submitted by registered/speed post only **latest by 31.08.2025**. However advance copy can be sent on email pd@bcst.org.in. All particulars entered should be same as in the hard copy. **No grant will be sanctioned under manpower salary and equipment head.**
